SwannOne SoundView Camera Indoor

Security ,Southport, Gold Coast

Description

The SwannOne SoundView Camera provides WiFi video surveillance and unique audio analytics which can be monitored and controlled from your smartphone or tablet. The camera has both day and night vision capabilities so you can keep an eye on things at any time.

- The SoundView Camera provides video surveillance in 720p high definition.
- It has glass breakage sound alerts to let you know if a window or glass door is broken.
- It connects via WiFi and can be used in conjunction with the SwannOne Smart Hub so you can view and monitor the camera from your smartphone or tablet.
- It is easy to mount the camera on a wall, desk, ceiling or almost anywhere.
- The pack contains a WiFi Camera, a glass breakage sound alert and a security sticker.
